

Dont let accidents happen to you!

How do fast and slow airplanes fit into the same airspace with colliding? Learn how to safely share the same airspace, handprop an airplane, land in a crosswind and perform a successful go around. Don't miss the chicken cookout starting at 5 pm!

Directions: See Map Link in the Additional Information Section to the Hangar across the apron from Ohio Valley Flight Academy.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
