

Don't Let Accidents Happen To You!

To promote a positive safety culture we need to mentor each other. The accident rate is so low in this country that to get to the next level, attitudes need to change concerning the guy that “everyone knew” would be the next casualty. That person needs to have a helping hand and open mind offered in the name of safety. Learn how decisions impact aviation safety and prevent accidents. Click the link below and register TODAY.

Directions: See Map Link in the Additional Information Section to the Terminal Building Conference Room upstairs.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the “Contact Information” area of the meeting/event notice. Note that two weeks is usually required to arrange services.

Event Details

Sat, Mar 29, 2014 - 10:00 am

Ohio Valley Flight Academy

Rte. 5 Box 12

Wheeling, WV 26003
