

Who's In Control Anyway

Don't let your next takeoff or landing become a statistic on somebody's chart. Come participate in this Wings Safety event where proper techniques concerning aircraft control during the most critical phases of flight, Takeoff, Approach and Landing will be discussed. Click the link below and register TODAY.

Directions: The meeting will be held in the Hangar.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
