

Overview of Experimental / Light Sport Aircraft Operation

Every year countless aircraft including LSA depart from controlled flight, unfortunately many pilots do not regain control prior to impacting the ground, resulting in serious injuries or death. Advanced Preflight refers to conducting a preflight that goes beyond the normal preflight checklist. To learn more about this topic and how to avoid a related accident, click on the link below and register TODAY.

Directions: Hangar 3 - the former Christman Air Service Hangar at Washington County Airport. (KAFJ)
