

## Latrobe IFR Flyers Monthly Meeting

This month's topic will cover briefing IFR approaches. We will also have our usual scenario based discussion on various IFR topics. Bring a friend and come out for some great round table discussion about IFR topics and flying.

**Directions:** Westmoreland County Special Operations Center. It's located at the corner of RT 981 and Kilo Lane. The conference room is located to the right as you face the building. We will have signs posted on the door. If you are flying in to KLBE, utilize the ramp at VeeNeal Aviation. Be sure to let them know that you are there for the purpose of the meeting in order to get the ramp fee waived. <http://www.veeneal.com>  
Call or text 412-849-2103 and we will send a "shuttle"

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
