

An Evening with Our Local Air Traffic Controllers

We are fortunate to have some of the best Air Traffic Controllers in the country at our Pittsburgh and Beaver control towers. This is your opportunity to meet them and ask any questions that you might have about operating in and around Pittsburgh's and Beaver's airspace. Brett Steinle and Brandon Setnar will discuss procedures and services offered by Pittsburgh and Beaver ATC.

Directions: The seminar will be held in Hangar C-3. Go past the restaurant parking lot and turn left.

A message from the National FAASafety Team Manager
