In many **Takeoff**, **Approach** and **Landing** accidents, poor ADM is a contributing causal factor; Join us for this Safer Skies video presentation, and learn the 3 P's method of managing information and making better aeronautical decisions. PERCEIVE, PROCESS, and PERFORM for a safe flight from takeoff to landing!

*Directions:* From Route 22 take Airport Road North exit, go to the 3rd stop light and turn left on E Race Street go about .5 miles and the Lehigh Valley Flying Club Parking lot is on the left, across from ALEDco, Airport Gate 16. (You must be escorted by a badged club member through gate to Hangar 5) Food and refreshments will be provided by LVFC.

*Message from the National FAASafety Team Manager:*  
**FAASafety Team CFI Workshops start this Fall. Watch for them in SPANS...**
