

FAA Safety Team presents:

# 'Needle, Ball & Airspeed'

If you are involved in an accident during low level maneuvering flight there is a 58% chance it will be fatal. Please join us in this exciting FAASTeam Safety Seminar for an interactive presentation concerning things that pilots can do to avoid becoming a maneuvering flight statistic. Please register for this seminar on-line today! Light refreshments will be provided by Moyer Aviation.

**Directions:** Take I 80 to Exit 308 (East Stroudsburg). Turn right onto Prospect Street and turn right into the circle. Beers Lecture Hall is on the Circle.

## A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
