

The FAA Safety Team presents:

Threading the Needle!

If one of your favorite things to hear is "Cleared into Class Bravo Airspace", you don't want to miss this seminar. We will discuss effective communications and how to keep transmissions short and concise. Learn from the professionals, including our guest speaker from New York Air Traffic Control, regarding the best way to ask and get cleared to your destination flying through Class B Airspace. We will also be discussing the Hudson River Exclusion SFRA, so join us and learn how to navigate into Class B Airspace avoiding a possible Pilot Airspace Deviation. Please click on the link below for more details and to register on-line!

Directions: Please see map link for directions, seminar will be in hangar, look for signs.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
