

The FAA Safety Team presents:

## Lehigh Valley IMC Club Chapter Meeting

The Lehigh Valley IMC Club Chapter provides organized “hangar flying” focused on building proficiency in instrument flying. We believe that safety and proficiency are developed through education and experience. Monthly meetings use real world scenarios at each monthly meeting to engage our members and allow them to share and build their experience. You do not have to be instrument rated to attend. Click the link below and register TODAY

**Directions:** Please see map link for directions, see front desk for meeting room number.

### A message from the National FAASafety Team Manager
