

RDG Airport Runway Safety Action Team Meeting

The purpose of this meeting is to assemble the individuals who actively engage in the movement of aircraft and vehicles on the Reading Regional Airport (RDG) Operations Area (AOA). During which time a locally focused open discussion on how to improve runway safety can occur. We will discuss the operation of the airport, from both the control tower and the user perspective. We will also review any past runway incursions and surface incidents in an effort to learn from some past mistakes. The Reading Regional Airport will be providing food and refreshments, so please click on the link below and register for this event !!!

Directions: Briefing will be conducted in the passenger boarding lounge in the terminal.
