

'Spring Cleaning' and Emergencies

With warmer weather fast approaching let's do some "Spring Cleaning" and get the dust cleaned out of our flight bags. Captain Bill Machauer will lead an interesting and informative discussion on 25 things you should know for safe summer flying. Byron Hamby will then switch gears and lead a discussion on how to be prepared to handle emergencies. Emergency procedures are a must know for all pilots to increase your chances for a safe outcome to an unplanned event. Come on out and join your fellow pilots and possibly win a door prize. Please register for this exciting event on-line by clicking on the link below.

Directions: Please see map link for directions, classroom is on the bottom floor of the library.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
