

## ABE Airport Runway Safety Action Team Meeting

The purpose of this meeting is to assemble the individuals who actively engage in the movement of aircraft and vehicles on the Lehigh Valley International Airport Operations Area (AOA). During which time a locally focused open discussion on how to improve runway safety can occur. We will discuss the operation of the airport, from both the control tower and the user perspective. We also review any past runway incursions and surface incidents in an effort to learn from some past mistakes. Our host, the Lehigh Northampton Airport Authority will be providing refreshments starting at 6:30pm! Please click on the link below to register for this event!

**Directions:** Please see map link for directions, seminar will be set up in Hangar 7.
