

The FAA Safety Team presents:

FAASTeam Flight Instructor Open Forum

At this open forum, we will discuss Teaching with Tablet Technology. The purpose of this Flight Instructor Open Forum is to stimulate discussion regarding EFB – Electronic Flight Bag, which is any electronic tablet, phone or other capable of providing current Aeronautical Charts, Moving Maps, Flight Planning, Weather and or Traffic Displays. We will discuss the best practices in teaching with reference to tablet computer hardware and software. Do not miss this opportunity to discuss the methods, techniques, and challenges involved in tablet technology. Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Click the link below and register TODAY.

Directions: Fly in and park on the main ramp or drive in and park in the main parking lot. Meeting room is located between the parking lot and restaurant.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
