

The FAA Safety Team presents:

Dont Get Busted!

At this seminar we will look at Temporary Flight Restrictions (TFRs). We will discuss what notifications and alerts are available to pilots as well as how pilots can sign up for them. We will look at recent TFRs, such as the Papal TFR, the Presidential TFR, and the Vice-Presidential TFR. We will use interactive scenarios to illustrate how or whether pilots should fly into and out of area airports such as Doylestown, Northeast Philadelphia, and the Flying W during these TFRs. We will also look at flight planning strategies and in-flight protocols for operating near TFRs. Lastly, we will look at task management and in-flight "Gotchas" with avionics and Electronic Flight Bags (EFBs). There will also be a breakfast prior to the seminar starting at 8:30, please see additional information and register today!

Directions: From Route 313, take Old Easton Road Northeast to the Doylestown Airport entrance, at parking lot look for the "Pole Hangar". Follow your nose

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
