

31 Things You Can Do

Do you, as a pilot, perform maintenance on your aircraft? If so, are you aware of just what you can and can't do? This seminar is a review of the requirements in FAR Part 91 & 43. We will cover exactly what maintenance you can perform, whether you need oversight, and how to document it correctly. Our speaker, Justin Green has been working as an A&P for several years and is also a Certified Flight Instructor. The restaurant will be open to purchase food during this event come out for some great food and discussion. Seating is limited so please register for this event !!!!!

Directions: Safety Seminar will be held in Restaurant Dining room.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
