

The FAA Safety Team presents:

## Learning From Mishaps

At this safety meeting we will take a look at some of the causal factors of aircraft accidents that occurred in the Allentown Flight Standards District Office (FSDO) during FY 2016. We will discuss prior accidents for the purpose of education and promoting safety, in an effort to reduce the possibility of other pilots having similar accidents. This meeting is open to EAA Chapter 70 members and their guests only

**Directions:** Safety Meeting will be set up in Restaurant.
