

FAA Safety Team presents:

CFI/DPE Open Forum

At this interesting meeting, we will discuss best practices for teaching Airworthiness Awareness in the hope that students will learn how to avoid system/component failures. We will talk about best practices in preparing students to deal with an engine failure in flight. We will also discuss how as an operator of an aircraft, a pilot can survive a Ramp Check.

Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Join your flight instructor colleagues and take an active role in improving safety in flight training! Seating is limited please click on the link below and register TODAY!

Pizza will be served at 1800 provided by Sky Manor Airport !!

Directions: This presentation will be held in the meeting room at Sky Manor Airport, located adjacent to the restaurant parking lot.
