

The Right Angle

"Angle of Attack Awareness" is this month's General Aviation Joint Steering Committee's (GAJSC) Topic of the Month. This presentation will review the aerodynamics of Angle of Attack and present information on the benefits and the use of Angle of Attack Indicators in reducing the likelihood of a Loss of Control Accident. This event is open to EAA Chapter 855 members and guests only.

Directions: Enter Airport Lane, at tee intersection, turn right. Lounge entrance is on south side of hangar on your left.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
