Attaining your Private Pilot is a major accomplishment for many people. After achieving this lofty goal, how can we promote newly certificated pilots to continue learning and improving their piloting skill set? How do we develop them into lifetime learners? Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Join your flight instructor colleagues and take an active role in improving safety in flight training! Click on the link below and register TODAY!

Directions: The presentation will be held in the meeting room at Sky Manor Airport located next to the restaurant parking lot.
