

## Drones 101- Ups and Down / RDG Aviation Career Fair

Drones have transformed industries and have made it on the wishlists of millions. By now, everyone has heard of drones or UAS or UAV.....but not everyone is aware of the requirements surrounding their use.

We will take you from novice to informed during our time together. Specific topics to be discussed include FAA rules concerning UAS registration, recreational use vs commercial use, airspace, collision avoidance and other safety factors.

All are welcome to attend please see Additional Information for the schedule of events for this years 2nd Annual RDG Career Fair and Festival !!!

Event hosted in the Reading Regional Airport Terminal Departures/Boarding Lounge. Park at the main terminal parking area, proceed through the main doors and follow signs to Boarding Lounge.

Seminar held during RDG Aviation Career Fair! Follow signs to Seminars!
