

Tailwheel Soft Touch on Soft Field

At this fun and interesting event, FAASTeam Representative and Designated Pilot Examiner (DPE) Mike McIntyre will be discussing Tailwheel Flying considerations such as soft-field suggestions, hazard avoidance and other recommendations. Mike will also discuss relevant local flying recommendations / SOP's at Van Sant Airport.

Come and join the discussion as we strive to increase safety!

For fly-in participants, please call to obtain information for transient parking. For those driving, there is plenty of parking on the left side of driveway on the way in.
