Springtime Flying? Pick up some Aeronautical Decision-Making (ADM) tips and reminders on how to deal with Washington, DC airspace restrictions and airport surface operations

Directions: Take I-495 to Exit 23, Kenilworth Avenue (Rt.201) south towards Bladensburg. Go approximately 2.3 miles and turn right at the traffic light onto Paint Branch Parkway. At the next traffic light, turn right onto Cpl. Frank Scott Dr. to CGS straight ahead.

Message from the National Safety Program Manager:

It takes approximately 1 hour to learn the fundamentals of flying. It takes a lifetime to know when not to fly.... Take advantage of the offerings at FAASafety.gov to improve your skill and knowledge.
