

2011 National Safety Stand Down

This year's FAASafety Team Safety Stand Down focuses on four areas that account for the majority of general aviation fatal accidents:

- Positive Flight Attitude: Keeping Your Standards High
- Going Beyond Preflight: Perfecting Your Preflight Inspection
- Enroute Cruise: Are You On Cruise Control
- Maneuvering Flight: Slow, Steady and Sure

Directions: See "Additional Seminar Information" for directions to AOPA.

A message from the National FAASafety Team Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
