

Ninety-Nines Fall Section Meeting

This seminar will provide pilots with important information as it relates to Light Sport Aircraft. The FAA definition, the safety of operation, regulatory compliance and proper maintenance procedures will also be analyzed. Don't miss this exciting presentation!

Directions: From I 70, get off at exit 55, towards South St.. Take the first right onto Monocacy. Go through the light, take the first right onto Hughes Ford, follow it around the curve. AOPA will be to your left. Please see Map Link.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
