

First And Last 5 Miles

In this exclusive seminar we will conduct an in-depth briefing on procedures for instrument approaches during the critical phase of flight while intercepting and obtaining clearances for an approach. This will include examining critical decision making for executing missed procedures. Don't miss this exciting opportunity. Click on the link below and register TODAY.

Directions: Maryland Aviation Administration classroom, Lower level Hangar #4.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
