

FAASTeam presents:

# Mastering the Art of Instrument Navigation

IMC Club, through its nationwide EAA chapters, provides organized "hangar flying" focused on building proficiency in instrument flying. Believing that safety and proficiency are developed through education and experience. Monthly meetings use real world scenarios to engage our members and allow them to share and build their experience. You do not have to be instrument rated to attend. Click on the link below and register TODAY.

Question of the Month:

"On departure from Norwood, MA (KOWD) you have received a simple clearance:

- Norwood 2 departure
- RV LBSTA
- Direct
- 2000
- 6000 10 min. after

You depart runway 35 and look over the Norwood Two Departure plate (attached). What does CW 330 mean in the textual description? How would you execute this procedure?"

Be a part of our discussion and find out more!

**Directions:** AOPA Aviation Community Center is located on the south end of Frederick Municipal Airport. From Hughes Ford Road, turn right on Bailes Lane which turns into Bucheimer Road. The AOPA Aviation Community Center is on the left.
