

Cross Country Across the Country

Join Bill Burnett for a fun afternoon learning about the many elements of real world flight planning when traveling long distances in a small, VFR plane. Bill will recount the many decisions he made on his recent solo flight from Aurora, Oregon to Stevensville, Md in his new RV-12is, while teaching you how to apply good planning and decision making to your own flights.

Directions: W29-Bay Bridge Airport Pilot's Lounge

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
