

Flying a Single Engine Piston Airplane to Alaska

There and Back Again: One Pilot's Adventure flying a single engine piston airplane to Alaska

CFI Rick Niles provides an overview of planning and executing a trip in a Cessna 206 from Maryland through Canada to Alaska and return including:

Event Details

Sat, Oct 28, 2023 at 13:00 EDT

Chesapeake Sport Pilot

210 Airport Road

Stevensville, MD

- Flight planning the trip
- Canadian and U.S. Customs
- Various differences between U.S. and Canada:
 - IFR rule differences
 - Hours of IFR flight in Wildfire IMC without any separation services
 - Differences in FBOs
 - ATC behavior differences
- Weather challenges encountered and overcome
- Maintenance challenges
- Destination recommendations
- Advice to future adventurers

A rusty pilot seminar (EA07124105) at 9 am and lunch at 12 pm will be available before this seminar.

Please register for the event so that your email address is available in case any changes are necessary due to the status of the runway construction.

This live, in-person seminar is at the Chesapeake Sport Pilot building in the maintenance hangar.
