

It Is the Summer Flying Season - Be Cool Taking to the Skies!

The event is part of a series of webinars on aviation safety topics sponsored by the Maryland Aviation Council. Raul Cisneros and FAA Meteorologist Joel Siegel will provide a presentation on safe summer flying and available pre-flight weather planning tools. Time permitting, participants will also be able to ask weather-related questions.

Please click on the hyperlink below to register for the webinar. If the link does not function, you can copy and paste it into your web browser.
