

A Safety Call to Action - Avoiding a Really Bad Day

The presentation and interactive discussion will consist of an overview of local airport operations and associated challenges, air traffic control services, and why air and ground deviations are a critical topic of concern. The presentation will also offer tips for successfully avoiding pilot deviations.

A similar forum will be held at Easton Airport on Saturday, July 19, 2025 at 10:00 am EDT. That forum will include specific information for Easton Airport, with the Easton Tower manager.

18810 Woodfield Road is located off of the airport property east of the Runway 32 threshold. The parking lot is entered off of Woodfield Road which runs North and South to the east of the airport.
