

## Panel - Pilot Health and Wellness

A panel of CFIs with clinical expertise will discuss the FAA's Aviation Rulemaking Committee's (ARC) report on Mental Health and Aviation Medical Clearances and highlight its recommendations.

An aviation medical examiner will review contributions by the AME community to aviation safety and accident prevention.

The panel will explain how a Safety Management System approach can mitigate mental illness-related causes of aviation accidents, and a neuropsychologist will emphasize what CFIs need to learn and know about mental illness.

NAFI Summit Attendees will enter the MAPS Air Museum through the main entrance.

This seminar takes place as part of the National Association of Flight Instructors (NAFI) Summit event. Fee information and instructions for registration can be found on the [NAFI Summit website](#).

There is no pre-registration on the FAA site for this event. SPANS is for WINGS credit only.
