

Frostbite Flyer Seminar- An Introduction to MOSAIC

This presentation will summarize some of the regulatory changes associated with the recently released MOSAIC regulations. We'll discuss effective dates, final rule details pertaining to pilot training and testing. We'll also discuss some of the changes to 14CFR 91, and finally, we'll provide some additional sources of reference for MOSAIC information. We'll also provide an FAA point of contact for questions that we're unable to answer during the seminar.
