

AOPA Air Safety Institute Safety Seminar

AOPA Air Safety Institute presents the latest analysis of NTSB accident trends in general aviation. We'll then review the events and discuss causal factors and mitigation strategies during this 60 min in-person event.

"FAA notification emails will not be sent. This announcement is for WINGS credit only."

Idaho Transportation Department 2026 Aviation Safety Stand Down.

See the conference website for directions and registration info. There will be signs and staff to point you to the seminar once on site.

A message from the National FAASTeam Manager
