

## EAA Chapter 524 Monthly VMC Club Meeting

The EAA VMC Club provides a "hangar flying" experience organized around visual flight, in order to promote safety, education, and proficiency.

Every meeting consists of a scenario presentation and group discussion about unusual or interesting charts, changed rules and procedures, and member experiences. We also have occasional guest speakers.

**The scenario we will discuss at this meeting is: Electrical Problems.**

Bring your EFB, your experience, and your questions, and be ready to participate.

All are welcome. You do not need to be an EAA member to attend

We will also be discussing how you can earn ***WINGS*** Credit.
