

EAA Chapter 524 Monthly VMC Club Meeting

The EAA VMC Club provides a "hangar flying" experience organized around visual flight, in order to promote safety, education, and proficiency.

Every meeting consists of a scenario presentation and group discussion about unusual or interesting charts, changed rules and procedures, and member experiences. We also have occasional guest speakers.

The scenario we will discuss at this meeting is: Starved of Attention.

Starved of Attention: Our pilot is flying a Cherokee Six on a 100-mile VFR cross country flight. We will discuss the scenario and then work together to figure out what the pilot might do next. Can you use your prior knowledge and current situational awareness to choose a course of action that results in a safe outcome?

Bring your EFB, your experience, and your questions, and be ready to participate.

All are welcome. You do not need to be an EAA member to attend

We will also be discussing how you can earn ***WINGS*** Credit.

This EAA VMC Club meeting will be held at the Frederick Maryland EAA Chapter 524 Aviation Education Center, located at the Frederick Municipal Airport, 330 Aviation Way, Frederick, MD 21701. As you enter the airport, park in the terminal parking lot. Walk south past the Frederick Flight Center (flight school building). There is an EAA sign on the hangar that houses the Aviation Education Center.
