

AOPA Air Safety Institute Safety Seminar

Want to sharpen your landing skills and fly safer? Join us for Stabilized Approaches: Key to Safer Landings, an in-depth safety standdown covering the fundamentals of a stabilized approach and why it matters on every flight. Attendees will learn to identify the criteria for a proper stabilized approach, recognize when to execute a go-around, and build the habits that prevent approach-and-landing accidents. Whether you're a student or seasoned pilot, this session delivers practical, confidence-building techniques you can apply immediately.

CLOSED EVENT being held for the Community College of Baltimore County (CCBC). You must be a student of the CCBC to attend. Please contact Ian Twombly at 443.840.4768 or itwombly@ccbcmd.edu for more details or to register. **Listing for WINGS Credit Only.**

Event Details

Fri, May 15, 2026 at 11:00 EDT
Community College of Baltimore County
800 S Rolling Rd
Catonsville, MD

Representative Claire Urban n/a

The seminar will be held in the Student Services building on the Catonsville campus. It's room 004, which is a large multipurpose room next to the café. If you put the building into Google, it should take you to the closest parking lot. Just make sure to park in a white-lined spot. You can call staff at 301-233-3999 if you need any help finding the room.
