

## AOPA Air Safety Institute Safety Seminar at the EAA AirVenture

A too-low approach and challenging wind conditions surprise the pilot, and he overshoots the runway's centerline on the desert floor. That leads to a stall-spin accident which kills him and his pilot-rated passenger.

Join the AOPA Air Safety Institute as we examine the circumstances that led to the flight's tragic outcome.

**This is part of EAA AirVenture and does not require pre-registration on the FAA site for this event. This listing is for FAA WINGS credit only. FAA notifications will not be sent.**

**\*Important\***—While the seminar is free, **there is an admission and parking fee for the FAA AirVenture event**. For details, go to: <https://www.eaa.org/airventure/eea-airventure-tickets>

Please register for this event through the AOPA events schedule. (if registration is required)
