

FAA Safety Team presents:

FAASTeam Flight Instructor Open Forum

At this open forum, we will discuss Teaching with Tablets. The purpose of this Flight Instructor Open Forum is to stimulate discussion regarding issues associated with the explosion of tablet computer-based flight software and hardware. More than ever before, the aircraft in which we train the pilots of tomorrow, are upgraded with new equipment. What are the best practices for teaching this transition? Don't miss this opportunity to discuss the methods, techniques, and challenges involved in guiding a pilot through a transition. Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Click the link below and register TODAY.

Additionally, The Topic of the Month will be discussed. Personal Minimums: Wind

Directions: The meeting will be held in Hangar B Room 152.

Look for the signs in the parking lot
