

FAASTeam presents:

# CFI Open Forum

At this open forum, we will discuss how to conduct an effective risk-based flight review. This interactive presentation also leads the participants in a discussion of best practices for developing evaluation scenarios. It allows FAASTeam Program Managers and designated FAASTeam Representatives together with CFIs and DPEs to discuss the benefits of conducting risk-based flight reviews. Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Click the link below and register TODAY.

Also, we will discuss month the General Aviation Joint Safety Committee (GAJSC) Topic of the Month "Engine Maintenance and Performance Monitoring".

Free snacks will be provided!!!

**Directions:** Enter front of main terminal building, take a left towards baggage pick-up area and follow signs upstairs located next to restrooms.
