

## I Am a Pilot but Can I Be a Mechanic Too?

The Code of Federal Regulations identifies who may perform preventive maintenance but are you familiar with the maintenance record entries that are required? Come join us for an interesting conversation about preventive maintenance. What is legal and what is safe? To attend this informative briefing click the link below and register TODAY!

In addition, we will discuss the General Aviation Joint Steering Committee (GAJSC) Topic of the Month.

**Directions:** Click the link below for for airport information and directions:

<http://www.nrvaairport.com/>

Meeting will be held in the airport main terminal building.

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
