

FAASTeam presents:

Yeager Airport Virtual Runway Safety Meeting

Runway incursions remain a serious concern nationally. One important component of our ongoing efforts to improve surface safety at Charleston Yeager Airport involves conducting a Runway Safety Action Team (RSAT) meeting at least once each year.

The purpose of this RSAT meeting is to unite those individuals and organizations that are actively involved in air traffic operations and movement of aircraft, vehicles and equipment on the Airport Operations Area (AOA). We look for participation from all major airport interests including tenants, fixed base operators, airport operations and maintenance personnel. Participants are asked to help develop recommendations and solutions to enhance surface safety. Those recommendations serve as the foundation for a site-specific Runway Safety Action Plan. You are cordially invited to join us. Your participation is important and your input is welcomed.

Directions: This will be Virtual Meeting conducted via Zoom. You must register here to receive Wings Credit, the Zoom meeting does not require you to register just follow the following link and enter the password.
