

FAASTeam presents:

# Inspection Authorization Renewal and IACRA

One of the options for the upcoming Inspection Authorization (IA) renewals in March 2023, is the functionality within Integrated Airman Certification and Rating Application (IACRA). This system will allow IAs to submit electronically their entire renewal package to the FAA and the FAA will have the ability to renew the Inspection Authorization remotely. Once the FAA has processed and approved the application the IA is notified by email to login to IACRA and retrieve the renewal letter.

Learn how to register and submit your IA renewal package using the fastest and easiest process (IACRA)!
