The Heritage Flight Academy CFI Refresher Clinic (FIRC) is an **FAA Approved** day interactive course that meets the FAA 16 hour requirement for the renewal of your flight instructor certificate. The course is offered every month at the HFA facility.

Directions: "Heritage Flight Academy is located on the west-side of Islip, MacArthur Airport and not in the 'main terminal entrance.' You will see the HFA Sign on Smithtown Ave next to the GTC Hanger. Proceed to the REAR Parking area following the HFA Signs to the hangar facility." Visit the Directions to HFA Link for detailed driving instructions to the Heritage Flight Academy Facility.

Traveling By Rail: Take the L.I.R.R to the "Ronkonkoma Train Station." HFA will shuttle you from the station to the Heritage Flight Academy Location free of charge.

Message from the National Safety Program Manager:

**Safety is a learned behavior...Learn to be safer at the Learning Center found on
FAASafety.gov**
