

The FAA Safety Team presents:

Pilot Workshop: The New Practical Test Standards (PTS)

Are you curious about the new changes to the Practical Test Standards (PTS) and how they will effect your recurrent training in the FAA WINGS Pilot Proficiency Program? Are you a flight instructor and have questions on the best strategies for teaching the new PTS changes? In either case, this training event is for you. Discover what Pilot Examiners will be looking for with respect to the PTS changes. All pilots and flight instructors are encouraged to attend.

Directions: Westchester County Airport is located off Route 684, Exit 2 (Westchester County Airport)... Turn left off exit if traveling South or turn right off exit if traveling North. Continue straight through traffic light onto Airport Road. The Joint News Center is Building 1 on the right side. Parking is in the rear.

A message from the National FAASafety Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
