

Long Island PAMA IA Refresher Course

As the holder of an Inspection Authorization (IA) or Aviation Maintenance Technician (AMT) certificate, recurrent training is critical to ensuring safe aircraft operations. Don't miss this annual event featuring eight hours of training. This event additionally qualifies for AMT Award credit. All IAs and AMTs are encouraged to attend. Click on the link below to see all the details including topics. This seminar is conducted in conjunction with The Professional Aviation Maintenance Association (PAMA) and the Farmingdale FSDO for those IA holders intending to renew their authorization.

Directions: ExcelAire-Hawthorne Global Aviation Services is located on the West side of Islip's Long Island MacArthur Airport. Please see map link for directions.
