

## FAASTeam Flight Instructor Forum #5

Safety in General Aviation (GA) begins with the flight instructor. Managing risk and addressing human factors issues are fundamental to safe aviation operations. How do you teach your students to identify and manage risk? How do you address human factors (prior to and during flight) to ensure the successful outcome of the flight? At this forum we will address risk management, human factors, avoiding pilot deviations, runway safety, GA safety trends and much more. Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Join your flight instructor colleagues and take an active role in improving safety in flight training! Click on the link below and register TODAY!

**Directions:** The Main Terminal of Republic Airport is located off Route 110 near the Air Traffic Control Tower.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

### Event Details

**Thu, Oct 3, 2013 - 7:00 pm**

**Main Terminal**

Republic Airport

Main Terminal

Farmingdale, NY 11735
