

## Mid Island Air Service Monthly Safety Seminar

You are invited to a safety workshop titled NASA SPINOFFS – What Have We Learned? This seminar is presented by featured speaker JC Follender, an aviation enthusiast and Citabria owner who has flown all across the US. At this informative briefing we will discuss the lessons learned from the space industry and how they can apply to aviation operations in the areas of crash protection, survivability, medicine, and much more. Only you can choose to be a safer pilot! Hosted by: The Doorologist, Pegasus Financial Consultants, Car Circus, Advanced Epoxy Flooring, & SMPL Technologies.

**Directions:** Please see "Additional Seminar Information" for driving directions.

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
