

The FAA Safety Team presents:

## What Would You Do If ?

This exclusive new safety briefing will feature a discussion of four realistic and serious emergencies. Each of these emergency situations were personally experienced by featured speaker David Windmiller, an aerobatic pilot and former test pilot. He will explain how training, keeping a cool head, and making good logical choices led to a safe outcome. He will share his lessons learned and provide training tips on dealing with abnormal situations. Become a safer pilot and learn from a PRO! Click on the link below to register TODAY!

**Directions:** Seminar held at the Republic Airport Main Passenger Terminal, First Floor Lobby.

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
