

Meet The Controllers At FRG

Have you ever had a question to ask one of the air traffic controllers, but didn't think of it while you were on the radio with them? Well, January 30th is your lucky day! FRG controllers from the tower will be introducing themselves, answering your questions and presenting a brief lecture. Now is the time to get your questions answered about different airport approaches, departures, emergencies, procedures, controller training, phraseology, etc. Prepare yourself for the ultimate interactive information session. Meet and mingle with the controllers from the tower and finally match a face to the radio personality! Click on the link below and register TODAY!

Directions: Please see "Additional Information" for Driving & Parking Directions

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
